FOR IMMEDIATE RELEASE: July 25, 2013

Neil M. E. Forester Recognized as a Super Lawyer Northern California Rising Star

SACRAMENTO, CA July 25, 2013– Neil M.E. Forester, C.F.L.S , Head of Goyette & Associates, Inc., Family Law Division, was named to the Super Lawyers Rising Star list for Northern California. In addition to being named as a Super Lawyer Rising Star, Neil also bears the distinction of being recognized by the California State Bar’s Board of Legal Specialization as a Certified Family Law Specialist – a designation highlighting Neil’s dedication to the practice of family law, and his expertise in that field.

Lawyers are asked to nominate for the Rising Star distinction, the best attorneys who are 40 or under, or who have been practicing for 10 years or less. They are to nominate lawyers they have personally observed in action — whether as opposing counsel or co-counsel, or through other firsthand courtroom observation.

An attorney-led research team then reviews the credentials of potential candidates and assigns points based on a set of defined evaluation criteria. The Super Lawyers research staff also confirms that nominees are properly licensed, in good standing with the state licensing agency, and, when possible, that they have no history of disciplinary action that would warrant removal from the list.

The lawyers nominated to the Super Lawyers Rising Star list for Northern California are ranked by point totals and those with the highest point totals are named to the Rising Stars list. No more than 2.5 percent of the lawyers in California are named to the list.
